

INTEGRAL YOGA®
BASIC HATHA YOGA TEACHER TRAINING
APPLICATION LETTER
"Summer"
July 25 – August 22, 2010

Greetings of Peace from Yogaville!

Thank you for your interest in our Basic Hatha Yoga Teacher Training (BTT) Program. For more than 30 years, students from all over the world have come to participate in our residential Teacher Training programs. This letter contains the program information: curriculum, daily schedule, accommodations and an application form. After reading this material, if you have any questions or require additional information, please feel free to contact us.

In our BTT, you will receive a carefully crafted education in the Integral Yoga approach to teaching Hatha Yoga. You will be taught how to give clear instructions and list the benefits for each of the core postures, breathing practices, chants and meditation in the classic sequence, and you will be able to lead students in the hallmark deep relaxation. You will study and practice the various aspects of Integral Yoga, including meditation, breathing practices, chanting, selfless service, Yoga philosophy and more. When you graduate, you will have the knowledge and experience to stand before a group and teach a class with confidence and ease.

WHAT MAKES INTEGRAL YOGA•UNIQUE

Integral Yoga is a complete science that cultivates and maintains the physical, mental, emotional and spiritual health of the individual. The non-competitive approach and meditative exploration of the Integral Yoga practices create an indrawn awareness that allows each student to reconnect with deeper and more subtle aspects of being. Our comprehensive certification programs provide a strong foundation for personal and spiritual development, an appreciation for nurturing a personal practice and the skills to become a knowledgeable and professional Yoga teacher. The Integral Yoga training process fosters the teacher's sensitivities to help create a safe environment for their students that allow them to realize their potential, gain self respect and learn to be of greater service to others.

The Integral Yoga system of Hatha Yoga is utilized by the Commonweal Cancer Help program and Dr. Dean Ornish in his book, *Dr. Dean Ornish's Program for Reversing Heart Disease*.

WHY A RESIDENTIAL PROGRAM

The most effective teaching comes from direct experience. Our residential programs are designed to offer you the experience of living the teachings of Yoga and to present the necessary tools that will enable you to pass these great teachings on to others. During your stay, you will immerse yourself in the yogic lifestyle and transform your body, mind and spirit. Our residential programs offer a supportive and nurturing environment for practice and study away from the distractions of everyday life.

PROGRAM DATES

The program begins on Sunday, July 25, starting with registration at 4pm, and ends at lunch on Sunday, August 22.

DAILY SCHEDULE

The daily schedule is very full; it is designed to help you fully realize the benefits of the Yoga practices and to offer you the optimum environment in which to study and learn. Each day begins with meditation at 6:00am, followed by a Hatha Yoga class. During the day, you will have training courses, workshops, practice sessions, a noon meditation at the beautiful LOTUS Temple and some free time. This schedule covers six days and five nights a week. You are expected to stay at the Ashram for the entire time to successfully complete the program.

CURRICULUM

The curriculum includes the following:

- Instruction in teaching the Yoga postures, deep relaxation and breathing techniques
- Guidance in your personal Yoga practices
- Monitored teaching practice
- Classes in vegetarian diet

ABOUT INTEGRAL YOGA

Integral Yoga is a complete Yoga that integrates all aspects of life and maintains our natural condition of an easeful body, peaceful mind and useful life. It encompasses the whole person: physical, mental, emotional and spiritual. Combining various methods of Yoga, Integral Yoga includes the physical postures, breathing practices (Pranayama), relaxation techniques (Yoga Nidra), selfless service (Karma Yoga), devotion and prayer (Bhakti Yoga), meditation techniques (Raja Yoga), mantra repetition (Japa Yoga), and Self-inquiry (Jnana Yoga).

SRI SWAMI SATCHIDANANDA
(SRI GURUDEV)

Integral Yoga was founded by Sri Swami Satchidananda (Sri Gurudev), one of the most revered Yoga masters of our time. Regarded by many as an apostle of peace, Sri Gurudev served as a living example of the teachings of Yoga and its goal of Self-Realization. He founded the worldwide Integral Yoga Institutes and Satchidananda Ashram-Yogaville, a living Yoga community. Sri Gurudev never limited himself to any one faith, group or country. Dedicated to the principle that, "Truth is One, Paths are Many", his teachings bring together people of all backgrounds and beliefs so they can learn to respect all different paths and to realize their common spirit and the universality of their spiritual goals. Sri Gurudev served on the advisory boards of numerous peace and interfaith organizations. Among the many awards and honors he received are the Albert Schweitzer Humanitarian Award, the Humanitarian Award of the Anti Defamation League of B'nai B'rith, the Juliet Holister Interfaith Award, and the U Thant Peace Award. He attained Mahasamadhi (an enlightened soul's exit from the body) in August 2002.

Satchidananda Ashram-Yogaville is a unique living Yoga community, situated on the banks of the James River in Virginia. Our members have come together from a wide range of different faiths, backgrounds and nationalities to live the simple yet profound teachings of Integral Yoga. Our goal is to realize the spiritual unity behind all the diversity in the world and to live harmoniously as one universal family while enjoying and honoring the differences.

At the heart of Yogaville is the Light Of Truth Universal Shrine (LOTUS). This shrine is dedicated to the universal teaching that "Truth is One, Paths are Many." Opened in July 1986, the LOTUS honors the Divine light, the One Truth, that is behind all the world's faiths. The shrine honors the diverse paths that humankind has taken to reach that One Truth. It embodies Sri Swami Satchidananda's efforts to foster peace and religious harmony throughout the world.

Yogaville's many services and facilities include Sivananda Hall for meetings and meals; Guru Bhavan, Chidambaram and LOTUS for meditation; the Integral Yoga Academy for Teacher Trainings, two dormitories with classrooms for weekend programs and retreats; a library with over 16,000 items including a wide variety of audio and videotapes; Integral Yoga Distribution for distribution of books, DVD, and spiritual products; the Lotus Conference Center for workshops, retreats and rentals; the Lotus Tea Shoppe for a comfortable atmosphere to relax over a cup of organic tea or coffee and healthy snacks; the Satchidananda Farm that produces organic food for our kitchen, and over 600 acres of woods and hiking trails.
